Hellfrost - The Blood of Godhammer

Blood Is Thicker Than Water!

For generations, two families have been engaged in a bitter blood feud with distant kin in northern Nordmark over possession of a supposed relic, Stormhammer. Though geographical separation has prevented open bloodshed, a war of words has raged long and hard. By order of the High King a peace deal has finally been brokered.

All the heroes have to do is cross the land in winter and deliver the sacred head of Stormhammer to Nordmark. But the threads of fate woven long ago by the Norns are convoluted and nothing is quite as it seems.

Danger and mystery abound, especially for those who possess The Blood of Godhammer!
